

# HOST GUIDE

*Helping foster & adoptive families heal, connect & thrive*

We understand firsthand that the adoption and foster care journey can be difficult and lonely.

**Replanted Conference exists for adoptive, foster, and kinship parents and professionals to gather in community with others who live a similar journey.**

It is a time to escape from the distractions and chaos of everyday life. And as a faith-based conference our goal is for participants to be physically, emotionally, and spiritually refreshed and inspired.

# ONE CONFERENCE, MULTIPLE LOCATIONS

While the conference started with people attending in Naperville, Illinois...We didn't want the opportunity for connection and healing to be limited to those who were able to travel to Chicago.

So churches and organizations jumped in to being a part of something bigger, with **dozens** of host sites across North America desiring to refresh people in their area.

# ONE CONFERENCE, MULTIPLE LOCATIONS

We not only want all our host sites sites to feel like they are present in the auditorium in Naperville with us, we want them to feel like they are creating opportunities for connection and healing in the communities they live in. We plan to have interactive and connection focused content all throughout the weekend.

**Our vision for this event is way bigger than a traditional watch a screen virtual conference, this is meant to bring people together and increase support for lasting impact.**

# WHAT HOSTS ARE SAYING...

“You will make amazing connections with other foster parents who now want to be part of your team to help grow Replanted... you will provide much-needed connection for some worn-out parents... you will help marriages find some rest and renewal when they come to Replanted... you will find out that God is FOR you and FOR Replanted at your church!”

**Ryan - Host Site Leader in Dearborn, MI**

“The preparation you all provided for us, especially going through the schedule, supplies, and tech testing made for a smooth and enjoyable event for us. Our participants were able to get in on the fun, as if we were all right there with you in Chicago.”

**Emily - Host Site Leader in Seattle, WA**

# HOSTING SNAPSHOT

**HOW MANY ATTENDEES DO I NEED?**

HOST GATHERING IS FOR 15+ ATTENDEES

**HOW MUCH DOES IT COST TO HOST?**

\$299

**WHEN CAN I HOST THIS EVENT?**

*(for example: for 50 attendees recruit ~20 gift cards, cash, gifts valued at \$50)*
- A warm and welcoming space with a large screen and strong internet connection

# READY TO HOST? LET'S GO!

REGISTER NOW!

## STEP 1: REGISTER

**CLICK HERE** to register!

Select the host registration type - Large Gathering

## STEP 2: PROMOTE

You'll be the best recruiter for your site! Use the provided digital promo graphics and reach out online and in person to your local community, friends, and families and invite them to join you.

# READY TO HOST? LET'S GO!

REGISTER NOW!

## STEP 3: PLAN FOR THE EVENT

We will host zoom meetings to help you with your planning, but here are just a few things to get your started:

**NO WAY!:** We give away “No Way!” gifts and want our simulcast sites to do the same. Plan to recruit some No Way Gifts for your attendees.

**TECH:** We recommend having tech support available to run your event.

**VOLUNTEERS:** Plan to recruit volunteers to welcome attendees, distribute the conference swag and help the attendees have a great experience.
