

SPONSORSHIP GUIDE

The Replanted Conference is an ideal opportunity for sponsors to reach and support thousands of foster & adoptive parents!

It's an event for foster, adoptive, & kinship parents and professionals to be refreshed, equipped, and inspired.

The Replanted Conference combines:

- a live event in Chicago, IL with **700+ in-person attendees**
- hosted simulcast sites with **1200+ attendees** across North America & Ireland

"This conference is a lifeline that brings together people who really 'get it'. It's like coming up for air, supported by your fellow front line parents. This is the best thing I've done for support in my 5 year fostering journey."

- Lindsey B.

"A time of encouragement, training, and support. I felt loved and rejuvenated to continue to give my all to parenting kids from hard places."

- A. Jordan
